Dear Woodstock City Council,

Joblinks Employment Services is a non-profit subsidiary of Woodstock and District Developmental Services that helps individuals with a verifiable disability seek, obtain and maintain competitive employment in our community.

We are seeking permission to put up bag signs around The Friendly City promoting our free services. The signs are 24" x 20" on the frame. Joblinks would display the signs from September 23, 2024 to October 15, 2024 (or for three weeks following an approval date that is after September 23, 2024).

These signs would be placed at various communal grass areas, near street corners, where the grass is clearly not an individual home owner's or business' property.

If you have any further questions or concerns, please do not hesitate to contact me.

Sincerely,

Derek McKie
