- **Use the space below to clearly outline your purpose for presenting to council. Provide a brief outline of your subject matter including your suggested outcome.**
As a business owner who is located in phase 1 of the upcoming Streetscape plan, would like to address council regarding the purposed delay to construction. While I would have thought that everyone would be in favour of the delay it has come to my attention that not everyone feels that way. As a business owner and a tax payer I would like to make it known why I support the city's decision to delay construction until Spring.
