Woodstock Public Swimmers Club: Laszlo Alt, Margaret Campbell and Emily Hewitt.
- **Use the space below to clearly outline your purpose for presenting to council. Provide a brief outline of your subject matter including your suggested outcome.**

We will be coming to address the city council to address the public swimming needs of the City of Woodstock.

The presentation will detail why the Spray and Play Wading Pool and an Outdoor Pool are vital amenities to the City of Woodstock. We will urge the Woodstock City Council to reconsider permanently closing the Spray and Play Wading Pool after this season. We will urge the Woodstock City Council to reconsider having a public outdoor pool as one of the city's public swimming amenities. We will share why an outdoor pool, wading pool and waterslides are important public swimming amenities to the City of Woodstock.

We will present our petitions regarding the current public swimming amenities and what our group would like the future public swimming amenities to include in the City of Woodstock.

We understand that there were hard decisions that needed to be made in last year's budget and property tax increases.

We want to ensure that our voices are heard when the City Council is making their upcoming decisions, plans, and budgets for the City of Woodstock's public swimming amenities.

We will require longer than 5 minutes to present to the City Council. Please let us know how much time we can be allowed. Thank you.

We will have an electronic presentation to be shown with potential video to be viewed.

WOODSTOCK PUBLIC SWIMMERS CLUB

ABOUT US

Promoting enhanced swimming amenities and greater accessibility to build a healthier and more inclusive community in Woodstock. We are committed to driving improvements in aquatic facilities, advancing safety and enjoyment, and ensuring that every individual has the chance to benefit from the life-saving advantages of swimming.

**OUR GOAL
TODAY**

**COME UP WITH A PLAN TO
ENSURE WOODSTOCK HAS
AQUATIC FACILITIES THAT
MEET THE NEED OF OUR
RESIDENTS**

*Woodstock's second most popular
recreation activity is swimming,
with nearly half (49%) of the
respondents participating before
COVID.* (City of Woodstock Recreation

OUR PETITION

**TO SAVE THE SPRAY AND PLAY WADING POOL
AND OUTDOOR POOL IN WOODSTOCK**

→ Petition launched July 20th, 2024

WHY WOULD YOU LIKE TO SAVE THE SPRAY AND PLAY WADING POOL AND THE OUTDOOR POOL? RESIDENTS' THOUGHTS

- Our City is growing and needs facilities to keep up with growth
- Spray and Play is loved/Unique feature to Woodstock
- Splash Pad is NOT a replacement for the Spray and Play
- Affordable and Accessible/Local
- Good for the Economy
- Provides job opportunities for youth

RESIDENTS' THOUGHTS

- Cost- money in budget for pool now
 - Will only cost more later
- Taxes going up- and the public sees diminishing facilities
- Public swim times are limited/not in the evening
- Lap swims are limited/shared
- High Schools can't hold meets locally/prepare adequate for competitions

RESIDENTS' THOUGHTS

- City is lacking in aquatic facilities compared to other municipalities
- Southside alone is insufficient
 - 1 pool isn't enough for our city
 - Parking, changeroom, public swims, lessons are all too busy
 - Lessons fill up
 - Sensory issues for tots/children, temperature issues

PEOPLE ARE GOING ELSEWHERE BECAUSE OF THESE ISSUES

“A unique amenity in the municipal recreation sector, combining a shallow body of water with fun and engaging spray features.”

**THE COMMUNITY SURVEY IDENTIFIED THAT
14% OF RESPONDENTS FREQUENTLY USED
THE SPRAY & PLAY FACILITY.**

OUTDOOR POOL

Recreation Facility
Needs Study, City of
Woodstock, 2021

The Lions Pool has historically played a key role in summertime aquatic programming and public swims. Between 2017 and 2019, drop-in recreational swimming and swim lessons increased by 75% and 37%, respectively. These trends demonstrate the popularity of swimming in Woodstock, which is consistent with broader participation trends though it also bears noting that 13% of the RFNS survey would visit Lions Pool more than 5 times in a typical pre-pandemic

WHY AN OUTDOOR POOL?

- to “provide a modern outdoor aquatic experience to Woodstock residents”
- “to serve broader range of ages, abilities and aquatic interests by combining lane, leisure and water play opportunities”

**-Recreation
Facilities Needs Study, 2021**

WHY AN OUTDOOR POOL?

- Allows for additional spots for swimming lessons
- People love the Family Swim and week to week lesson format
- Allows for more public swim and lap time
- Summer Swim Team can host their meets
- An option for teens in the summer- what else can they do?
- Closest beach/ outdoor pool is 20-30 minutes out of town (by car)
- An affordable and accessible outdoor swimming option- We don't have a beach, many people don't have pools

“For children and seniors our outdoor pools are well used, particularly as more and more people cannot afford to holiday elsewhere.” [Jan Liggett](#)
Mayor of Cambridge Ontario (June 2024)

Let's Save the Spray and Play Wading Pool and the Outdoor Pool Together!

* Indicates required question

The 75+ year old Lions pool in Woodstock. Lions pool was permanently closed in July 2023. Lions pool was supposed to be replaced by a new outdoor pool on Devonshire Ave in Woodstock at Cowan Fields. City Council voted in favour of the new outdoor pool at a City Council meeting on July 13, 2023. The new pool was supposed to open in summer 2025, but construction was halted at a City Council Meeting on March 21, 2024.

The Spray and Play Wading Pool, Woodstock's Waterpark Behind Southside Aquatic Center in Woodstock. The waterpark was opened in 2000. The summer of 2024 is scheduled to be the waterpark's last summer in operation. A changeroom expansion for Southside Aquatic Center is expected to be built in its location. There is a "replacement" splashpad being built in Finkle St which includes no water slides or wading pools or features requiring lifesaving staff.

⁷ Final Season

A FEW ANSWERS FROM OUR PETITION Question: Please share why you would like to save the Spray and Play Wading Pool and Outdoor Pool in Woodstock, Ontario.

1. "With the growth of our city comes the need for more recreational amenities. Eliminating our outdoor pool and Spray and play Wading pool and replacing with only a splash pad still leaves a rather large void in our community. The idea that city council is saving us money by doing it this way is not the way to go."
2. "Many families do not have a place to cool down in the summer. As well, our growing community needs water activities such as these to keep funds in the city. Otherwise, families will go out of town to use outdoor pools."
3. "I have a child that loves to use the spray and play park. Southside pool has limited public swim that can be taken advantage of."
4. "We have a child and there's already not much to do with children around here. This pad is great for the kids for something to do."
5. "Gives teens jobs which are needed. This city has lots of lifeguards and lots who want to become one. My son is a lifeguard and really needed these hours in the summer cause there is no other employment in Woodstock for them which is awful. Our lifeguards are not getting as many hours."
6. "It will be disappointing if we just get another boring splash pad."
7. "I have been involved in the aquatic field in this city since 1970 and I do not like that we have fewer swimming facilities now than then and way more citizens."
8. "Woodstock is a large community with seemingly little to offer its residents while boasting an astronomical tax rate. Stop taking away what little we have to offer our families and children, this is one of the few amenities that's a joy to have in town."
9. "I can afford to sign my son up for swimming lessons- the free splash pads are great- but I'll never afford to be able to take my son to a water park. This has been amazing for him"
10. "For the amount of taxes we pay, we should be gaining amenities, not losing them."
11. "It's such a unique feature in Woodstock. Our kids love it. Our city seriously lacks swimming opportunities. Saving these amenities is one way to address this"
12. "We need more water and recreational facilities in our city, not less. We cannot close them without a plan to reopen. The city population is growing, not decreasing, we need facilities to support the growing population."
13. "Woodstock kids should be able to participate in summer swim team races and not have to travel to Thamesford or further to participate."
14. "I am a teenager. Working at an outdoor facility would be such an amazing summer job! Also, there aren't age appropriate outdoor swimming venues for us in Woodstock."

15. "Hi. I'm Wyatt and I am 6. I love the dump bucket and the slide. Please don't take it away."
16. "For the safety of our children. They need a place where they can learn to swim. Woodstock has many open bodies of water. Our community members need to be able to swim."
17. "There has to be things for people to do. So many people live in apartments and an outdoor pool and a splash pad are the best ways to enjoy the fresh air and sunshine. Much better than just the single option available. One indoor pool is just not sufficient for a population of this size."
18. "This is an amazing option for everyone, but especially low income families who couldn't otherwise afford to do fun summertime activities."
19. "Our city is growing and we need facilities for families and individuals. Swimming is an important life skill. Southside is crowded and will only get more crowded. Children love the Spray and Play pool and Splash Pools do not have the same play value. Why get rid of something we already have that is loved by children? There must be another solution."
20. "As a single mom I don't have a lot of extra money to take my son to a lot of places. The splash pad is his #1 choice to go to on hot days he likes that there is the wading pool and going down the slides is his favourite part. It's also nice to socialize with other parents it's also nice to know there are life guards on hand if needed!! PLEASE DON'T TAKE ONE OF OUR BEST ATTRACTIONS!!!"
21. "The fact that this city is even considering removing yet another amenity with no hope in hell of lowering taxes is nothing short of an insult! There is ONE pool for all of the city and it's always way over capacity and the demand for lessons and public swims is never able to be met."
22. "When you look at the reduced adult swim time due to swim instructions it's evident we have more children needing lessons that we have spaces to provide them. With all the new family homes yet to be built but permits to build, where will these children get the lessons to equip them with safe swimming practices?"
23. "We did swimming lessons outdoors when it was open. We also did family swimming when it was public swim. There is just something about swimming outdoors."
24. "It doesn't make sense to have to drive 30 minutes away to swim outside in the summer. Kids should be able to learn to swim and adults should be able to swim and stay fit in an outdoor pool during the summer. They need something productive to do outside in the summer, while cooling off, that includes getting exercise and getting some vitamin D at the same time."
25. "One pool and a couple of sprinklers is not nearly enough to adequately support a city of this size. I'm tired of swimming shoulder to shoulder because of business and can't always afford to go out of town for a service that should be provided here."
26. "I work supporting children with developmental disabilities. Every kid I've taken to the Spray and Play Wading Pool is absolutely enamored with it -- I've had kids spend hours there, just getting to relax and enjoy. It's rare these days to find entertainment that doesn't require us to spend any money -- and that's incredibly valuable to me when organizing activities, given how underfunded the Developmental Services sector is in the first place."

27. "I believe that Woodstock must add greater capacity for the availability of swimming lessons for the children of Woodstock. It is a matter of life and death as recently was indicated with the drowning of the 14 year old at Port Stanley. For the last 2 years I have been taking my grandkids when possible for swimming lessons at Southside Pool when they can be registered as usually the classes are full almost immediately when registration opens. An outdoor pool would add to the availability of swimming lessons in the summer and give the children of Woodstock the increased opportunity to learn an ESSENTIAL LIFE SKILL."

28. "I am disabled. Haven't been able to use the outdoor pool since closed it was my favorite way to exercise and get fresh air."

29. "My son is autistic and additionally has sensory processing disorder. He is extremely noise sensitive. Indoor pools trap noise and amplify that noise making it impossible for him to swim , we need the outdoor pool. The spray and play wading pool was designed for all, it is really the only TRULY inclusive water play structure in the city that differently abled children can enjoy safely."

30. "I work with children with special needs within the community. We love spending time at the Spray and Play Wading Pool. We are there weekly throughout the summer."

31. "Sensitivity to chlorine in enclosed spaces excludes many from participating in water related activities."

32. "I am more than willing to pay the admission fee, if it means my child has a safe and enjoyable place to cool off during the hot summer months."

33. "Woodstock is growing and needs more amenities, not fewer than it had in 2022 and earlier. There is continuous building north of pittock, and expansion east and west of the city. Outdoor water amenities will provide recreation for residents and jobs for students. Smaller towns like Tillsonburg and Ingersoll have better aquatic facilities than Woodstock. We need to keep up with the demand."

34. "These spaces create safe and inclusive opportunities for community participation. Failure to provide such spaces will only serve to expand the growing disconnect felt amongst community members, especially today's youth."

35. "I really wish they would save Lions Pool and bring back the one week family lessons. These were crucial for our family to keep up with swim lessons and water safety. I also wish they would keep the spray and play for our family's recreation needs."

36. "It's sad that so many need to leave our city to go to smaller towns to find great community building options."

37. "Our children need somewhere safe to enjoy summer activities within our community. I own a small business within the city of Woodstock. People within our city limits are already traveling to other cities for other amenities, which hurts the economic survival of our community and small businesses. If we can keep enough enjoyable things within our city limits, our economy will flourish."
