- **Use the space below to clearly outline your purpose for presenting to council. Provide a brief outline of your subject matter including your suggested outcome.**
 -opposition to developer Farhi's proposed infill development of 401 Lakeview Drive, Woodstock, on safety and community cohesion grounds
 -basic basis for objection: (1) unsafe to pedestrians and drivers, to crowd individuals into very limited space, with inadequate traffic calming, and without frequent transit and no nearby services (necessitating a lot of driving), as well as reduced parking, especially when so many current residents are seniors or children; (2) unsafe and not conducive to neighbourhood cohesion, to crowd hundreds of new residents into small area (high density), with only 5% of that area being park space-- they will, logically, use neighbouring areas' parks, leading to their over-use, as well as park in front of low-density, pre-existing houses.
 -suggested outcome: that proposed by John Bell and committee for Alder Grange residents
