Re: 2025 Asphalt Resurfacing and Surface Asphalt Tender Award

AIM

To obtain Council approval to award a tender for the 2025 Annual Asphalt Program.

BACKGROUND

Every year the City completes asphalt resurfacing to preserve roads where the underground infrastructure is in good condition and places surface asphalt for the previous year's road reconstruction projects.

Tenders for this project closed on Tuesday, May 6, 2025. Eight (8) tender submissions were received. The three (3) lowest bid amounts (including HST) were as follows:

- Permanent Paving Ltd., Woodstock, Ontario.....\$1,390,000.00
- Armstrong Paving and Materials Group Ltd., St. Mary's, Ontario.....\$1,427,180.28
- 1108575 Ontario Ltd. (Kon-Strutt Construction), King City, Ontario.....\$1,432,326.91

Per the City's purchasing policy, Council must approve any tender award exceeding \$750,000.00.

COMMENTS

The 2025-2029 Capital Budget allocated \$1,825,000 for this project. This amount is based on \$1,470,000 for asphalt resurfacing (11238) and \$355,000 for surface asphalt (11239). Based on the low bid, the City cost is \$1,251,738.05 (incl. non-refundable HST). The low bid is under the budgeted amounts.

Permanent Paving Ltd. is a local firm and has completed the annual asphalt program several times in the past. Staff is recommending award of this project to this firm. Subject to Council's approval, construction is anticipated to commence as soon as possible, weather permitting.
