

Hi Council,

I am Jatinder Shergill residence of 991 Edinburgh Dr, woodstock.

I am writing to get approval on Noise exemption for few hours on an occasion.

Its my brother's wedding and we will be having some music on at our place on Sept 14,2023. I would like to have DJ system on at our residence in evening time event . It will be probably 4 hours (most likely 6-10pm).

I am hopefully requesting noise exemption for a few hours on our event .

I need to book DJ once i hear back.

Looking forward to hearing from you.

Thank You.

Jatinder Shergill
